SHIVANGI DUBEY

MCA Student | Java Developer | JDBC & SQL | Web Development

Jaunpur, Uttar Pradesh • 6392511344 • dubeyshivangi949@gmail.com

LinkedIn • GitHub

CAREER OBJECTIVE

MCA student and BCA graduate (80.66%) with hands-on experience in Java, OOP, JDBC, SQL/MySQL and web development (HTML, CSS, JavaScript, React). Built 15+ academic and personal projects spanning database-driven applications, console programs and front-end interfaces. Seeking an internship or entry-level Software Developer role to apply strong programming fundamentals and problem-solving ability to real-world engineering work.

PROJECTS

Online Banking System | *Java, JDBC, MySQL*

- Built a banking application that integrates Java with MySQL via JDBC to handle account creation, deposits, withdrawals and balance inquiries.
- Applied CRUD operations and PreparedStatement queries for secure, efficient database transactions.

Student Management System | *Java, JDBC, MySQL*

- Built a CRUD-based system to add, update, delete and search student records backed by a MySQL database.
- Implemented database connectivity and parameterized queries using JDBC and PreparedStatement.

Student Course Registration System | *Java, OOP*

- Designed an OOP-based registration system supporting student search, course selection, seat-capacity checks and enrollment using ArrayList-driven logic.

ATM Interface | *Java, OOP*

- Simulated core ATM operations — deposit, withdrawal and balance checking — using object-oriented design principles.

Quiz Application with Timer | *Java*

- Built a timer-based quiz engine that scores responses in real time across multiple questions.

Additional Projects: *Student Grade Calculator, Number Guessing Game, Number Game (Java console apps); Exam Form Submission System, Gym Registration Form, Login/Sign-Up Interface, YouTube Web Page Clone, E-commerce Product Page, Bubble Game, Sudoku Entry Validation (HTML/CSS/JavaScript front-end practice).*

TECHNICAL SKILLS

Languages: Java, C, C++

Java & OOP: Classes & Objects, Constructors, Encapsulation, ArrayList, Exception Handling

Database: SQL, MySQL, JDBC, CRUD Operations, DBMS, PreparedStatement, ResultSet

Web Development: HTML, CSS, JavaScript, React

Core CS: Data Structures, Operating Systems

Tools: VS Code, Git, GitHub

EDUCATION

Master of Computer Applications (MCA) — Dr. A.P.J. Abdul Kalam Technical University (AKTU) — *Currently Pursuing*

Bachelor of Computer Applications (BCA) — Veer Bahadur Singh Purvanchal University (VBSPU) — *2026 | 80.66%*

CERTIFICATIONS & STRENGTHS

Certifications: C Programming • C++ Programming • Java Programming

Strengths: Quick Learner • Problem Solving • Self-Motivated • Willing to Learn

LANGUAGES

Hindi — Fluent | English — Working Knowledge
